Re: UM 1535 – Errata Filing

Attention Filing Center:

Please find enclosed an original and three copies of an Errata to Portland General Electric Company's Final Draft RFP, which was filed earlier today. This Errata contains the following revised Table:

Table 1: Corrects a typographical error in the Preferred Start Date field. The original table indicates that the preferred start date is "Before 2014." The replacement table correctly reflects that the preferred start date is "By end of 2014."

This is being filed by electronic mail with the Filing Center. An extra copy of the cover letter is enclosed. Please date stamp the extra copy and return to me in the envelope provided.

Sincerely

V. DENISE SAUNDERS Assistant General Counsel
