Re: Docket UM 1654 – In the Matter of Northwest Natural Investigation of Interstate  
Storage and Optimization Sharing

Dear Judge Pines:

This letter follows up on my earlier voicemail. In your Ruling dated August 13, 2013, you extended the deadlines for the remaining rounds of testimony in this docket, and asked the parties to notify the Commission of their proposal for the remainder of the schedule by August 19, 2013. The parties are currently working on a schedule but have been unable to finalize a proposal. We are hoping to do so by the close of business tomorrow. Thank you for your patience in this matter.

Very truly yours,

Lisa Rackner
