Re: Docket No. UM 1712, PACIFICORP dba PACIFIC POWER  
Application for Approval of Deer Creek Mine Transaction

By this letter, Sierra Club is confirming a phone conversation today with ALJ Allan Arlow approving the excusal of Sierra Club witness Dr. Jeremy Fisher from appearing in person at the hearing scheduled for this matter on March 30, 2015 as long as no party objects. I have conferred with all other parties, and each party has indicated that they do not intend to cross examine Dr. Fisher. He will be available by phone if necessary.

Please let me know if you have any questions. Thank you.

Respectfully submitted,

*/s/ Travis Ritchie*
