**Re: Docket No. UM 1717 – In the Matter of NW Natural Application for Prudence
Review of Costs of Post Carry Wells**

Dear Judge Power:

On July 16, 2015, the parties participated in a Settlement Conference in this docket, and reached a settlement in principle of all issues. The parties are currently working to prepare the settlement documents, which we hope to file with the Commission by August 5. For this reason, we request that the schedule be suspended. Please call if you have any questions.

Very truly yours,
