Pursuant to Section 7.3 of the Third Amended and Restated Intervenor Funding Agreement (“Agreement”), which was adopted in Order No. 15-335, the Citizens’ Utility Board of Oregon (“CUB”) submits this request for a final payment in the amount of \$9,716 of eligible expenses in docket UM 1719 from the PGE and PacifiCorp issues funds. CUB is automatically pre-certified under Section 5.2 of the Agreement.

On February 25, 2016, CUB submitted a proposed issue fund grant of \$10,000 to be split between the 2016 Portland General Electric (“PGE”) Issue Fund (\$4,000), the 2016 PacifiCorp Issue Fund (\$4,000), and the Idaho Power Issue Fund (\$2,000). On February 29, 2016, in Order No. 16-078, the Commission approved CUB’s budget.

Under Section 7.3 of the Agreement, each Issue Fund Grant Request for Payment must:

- (a) *Itemize the expenses, payees and hourly rates for amounts to be reimbursed;*
- (b) *Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor’s proposed budget;*
- (c) *Provide information sufficient to show that the intervenor has complied with any condition or requirement of the Issue Fund Grant, including, but not limited to, documentation sufficient to show that the intervenor has satisfied the matching fund requirement (i) set forth in Section 6.5 above or (ii) as the Commission may establish as a reasonable condition on Issue Fund Grants, whichever applies; and*
- (d) *Specify whether the request for payment is for a final payment or final payment in full and indicate whether any approved budget amount may be released back to the applicable Issue Fund because the*

intervenor does not intend to request payment for the full approved budget amount.

- (a) Confidential Attachment A contains a summary of CUB's expenses to date in this case. Confidential Attachment B provides a list of CUB activities by date and Intervenor Funding Task Category, as well as CUB's mailing and travel expenses to date. Confidential Attachment C breaks out each CUB staff member's time by Intervenor Funding Task Category to date.
- (b) The expenses incurred are reasonable and directly attributable to the issues and positions CUB is addressing in UM 1719 on behalf of residential customers. In support of this assertion, we supply Confidential Attachments A, B, and C which can be compared to CUB's Issue Fund Budget in this case.
- (c) CUB has satisfied the matching fund requirement as demonstrated in Confidential Attachment A, the summary of CUB's expenses. CUB expenses to date after the match are \$9,716 .
- (d) This is a request for a final payment. CUB requests that the remainder of funds be released to PGE's Issue Fund, PacifiCorp's Issue Fund, and Idaho Power's Issue Fund for use in future proceedings.

In this filing, CUB requests the final payment of our costs in UM 1719 amounting to \$9,716 to be split between PacifiCorp (\$3,886), PGE (\$3,886) and Idaho Power (\$1,944). See Confidential Attachment A, CUB Expense Summary. The attached documents should allow the Commission to track the time spent on the elements of the case, and we believe that this filing meets the requirements of the Commission.

Respectfully submitted,
July 26, 2016
