RE: Docket UM 1726 - 2015 Annual Certification of ETCs
Clarification of CenturyLink's November 5, 2015 Form 481 Supplemental
Filings

Greetings:

On November 5, 2015, CenturyLink filed with the Commission certain information pertaining to the company's Connect America Fund (CAF) Phase I Incremental Support, for each of its Oregon incumbent local exchange carrier entities. The purpose of this letter is to explain the information CenturyLink included in those filings.

In compliance with instructions entitled "New Requirements: FCC Form 481" from the Universal Service Administrative Company (USAC), CenturyLink's November 5, 2015 filings with the Commission provided supplements to previously filed FCC Form 481 reports that contained the information and certifications for the CAF Phase I Incremental Support as required by 47 CFR § 54.313(b). Specifically, the information and certifications pertained to year-two requirements for CAF Phase I Incremental Support that CenturyLink accepted in 2012 (Round 1 Support) and year-one requirements for the incremental support that CenturyLink accepted in 2013 (Round 2 Support).

In its November 5, 2015 filings with the Commission, in accord with 47 CFR § 54.312(b)(3), CenturyLink also provided a list of previously identified census blocks to which the company determined it will not be deploying broadband utilizing CAF Phase I incremental support. In accordance with the USAC

instructions, this list was appended to the Form 481 documents for each of CenturyLink's incumbent local exchange carriers but included no further explanation of what information was included in the list.

To explain this aspect of its November 5, 2015 filings, CenturyLink is including the following information with this letter:

1. Copy of CenturyLink's November 6, 2015 cover letter filed with the FCC that accompanied the nationwide list of locations that CenturyLink had initially identified for Round 1 broadband service deployment but that CenturyLink later determined it will not be deploying broadband service under Round 1.
2. List of locations in Oregon that CenturyLink had initially identified for Round 1 broadband service deployment but that CenturyLink later determined it will not be deploying broadband service under Round 1. This list is a subset of the larger (nationwide) list included with CenturyLink's November 6 letter to the FCC. This list was included in each CenturyLink entity's November 5 revised Form 481 report following the notes section.

Please do not hesitate to contact me should you have any questions regarding this filing.

Sincerely,

Phil Grate

Re: *In the Matter of Connect America Fund*; WC Docket No. 10-90

Dear Ms. Dortch:

CenturyLink, on behalf of its incumbent local exchange carriers accepted 2012 Connect America Fund (CAF) Phase I Incremental Support (Round 1 Support) on July 24, 2012 and at that time submitted a list of locations to which it intended to deploy broadband service using that support.¹ Since that time, CenturyLink has made changes to those initial deployment plans. Thus, in accord with Commission rule 54.312(b)(3) CenturyLink is providing the attached list of census blocks for which we previously had identified locations to which we would deploy broadband service using Round 1 Support but for which we now know we will not be deploying broadband service using that support.

CenturyLink is also providing this information to the Universal Service Administrative Company, relevant state commissions, and affected Tribal governments, as appropriate.

Please contact me via the above contact information or Jeff Lanning in CenturyLink's Federal Regulatory Affairs office (202-429-3113) if you have any questions.

Sincerely,

/s/ Tiffany West Smink
