| 7  | OREGON                                            |               |  |
| 8  | Application for Approval of an Emission           |               |  |
| 9  | Reduction Program.                                |               |  |
| 10 |                                                   |               |  |

11 Northwest Natural Gas Company ("NW Natural") files this status update pursuant to 12 Administrative Law Judge Rowe's November 17<sup>th</sup> Ruling, directing NW Natural to file a 13 status update and a proposed scheduled agreed to by the parties, with any required 14 authorization under ORS 757.539(7)(b) to further extend the Oregon Public Utility 15 Commission's ("Commission) deadline for issuing an order on NW Natural's Application for 16 Approval of an Emission Reduction Program ("Application").

As requested in NW Natural's November 16, 2015 motion to amend the procedural schedule, the parties to this docket held a settlement conference on November 19, 2015 rather than proceeding with a hearing on that date. Although a resolution was not reached at the settlement conference, the parties intend to continue to engage in settlement discussions. Following the settlement conference, the parties agreed to the following procedural schedule for the remainder of the docket:
