Subject: UM 1837 Pre-hearing Conference Follow-up

Judge Power,

At the June 26th pre-hearing conference in this matter, you requested that I follow up with an e-mail detailing the clarifications sought by the parties in this case regarding deliverables and whether a contested case was necessary. Upon further consideration, Staff has determined that no additional clarifications are necessary and therefore requests that you adopt the non-contested case schedule agreed to by the parties at the pre-hearing conference. Staff communicated its intent to move forward with the non-contested case version of the schedule with the parties and did not receive any objections. That schedule is reproduced below for your convenience.

Please let me know if you have any additional questions.
