Judge Arlow:

On October 22, 2018, Complainants filed a “Notice of Dismissal Without Prejudice” in the 12 above-captioned proceedings. The October 22 filing is effectively a motion to allow Complainants to withdraw or dismiss the complaints without prejudice. PGE was not aware of this motion until after the document was filed and PGE was served. PGE questions the reasonableness and equity of allowing a voluntary withdrawal without prejudice at this late stage in the proceedings, when cross motions for summary judgment have been pending for several months and the Commission has denied Complainants’ motion for leave to amend the complaints.

PGE will likely oppose the October 22 submission, but has not yet had time to consider it fully.

PGE respectfully requests confirmation:

(1) that the Commission or its ALJ will not grant Complainants’ October 22, 2018 submission and dismiss the cases without prejudice until PGE has an opportunity to respond; and  
(2) that under OAR 860-001-0420(4), PGE has 15 days (i.e., until November 6, 2018) to file a response to the October 22, 2018 submission.

Thank you,
