RE: UM 1916 - PGE 2018 Renewable Portfolio Standard Implementation Plan

Attention Filing Center:

Enclosed please find Attachments A and B as part of PGE's 2018 Renewable Portfolio Standard Implementation Plan (RPIP), which was previously filed on December 29, 2017. Staff notified PGE that Attachment A may not have been received by all the Parties. Thus, PGE is providing the Attachment to ensure all Parties have access to PGE's incremental cost calculation.

In PGE's 2018 RPIP, Attachment B was inadvertently labeled as Confidential. Attachment B contains no confidential information and is provided here again as a courtesy.

If you have any questions or require further information, please call Rebecca Brown at (503) 464-8545. Please direct all formal correspondence and requests to the following email address: pge.opuc.filings@pgn.com.

Sincerely,

A handwritten signature in blue ink that reads "Rob Macfarlane". The signature is written in a cursive, flowing style.
