## **UM 1535**

### **Northwest and Intermountain Power Producers Coalition**

#### **Paragraph 10(e) Information**

#### **Al Kasper**

Description Mr. Kasper's Consulting Practice: Broad range of consulting services to both independent power producers and regulated utility companies. Principal activities have been associated with EPC contracts and OEM selection for a wide range of power plants, largely in the Western USA. Arranged some partially developed power plant acquisitions. Also part of the development team for a new technology combined commercial product and power production plant. A member of two startup companies; one developing smaller renewable power plants for US military bases and the other developing some waste tire recycling projects.

Past and Current Clients include:

Current: In addition to NIPPC

- Klean Industries – Member of the management and Chief Technology Officer
- Indian Energy LLC – Member of the management and Chief EPC contract officer
- Sevier Power Company LLC – Arranging the sale of the project and assisting in the project development
- Elemental Energy - Assisting in the development of a small biomass fired power plant

Past:

- Energy Northwest – Arranged the sale of the partially developed Kalama Power Project
- Syntaris Power – Assisted in the development of several low head hydro and pumped storage projects
- Inland Energy – Conducted the bidder qualification, RFP preparation, bidder solicitation, bid evaluation and contract negotiation for the EPC contracts for two solar hybrid CCGT power plants

- Capital Power – Brokered the negotiation for the sale of a partially developed coal fired power plant
- Pristine Power – Assisted in the negotiation of the EPC contract for a CCGT power plant
