About Moss Adams LLP: Among our broad-based accounting and consulting professional services, Moss Adams provides accounting and regulatory consulting services to clients in the utility industry (electricity, natural gas and water) and with respect to other natural resource management issues. Moss Adams advises clients on regulatory accounting matters, taxation and tax policy, derivatives, lending requirements (including those from the RUS), utility asset valuation, utility service contracts, energy and regulatory policy incentives, regulatory policy issues (e.g., renewable portfolios, climate change, etc.), natural resource valuation, assists facilities owners and institutions in making investment and operational decisions based on cost, return and risk analyses, and represents clients in regulatory proceedings. Moss Adams provides expert testimony in all major components of a general rate case including revenue requirements, cost of service, rate spread and rate design.

Clients include: Sunriver Owners Association, Tri-State Generation & Transmission Association, SunEdison, United States Department of Interior, Lee Ranch Coal Company, City of Portland – Water Bureau, Eugene Water & Electric Board, Clackamas River Water, McMinnville Water & Light, Springfield Utility Board, Tualatin Valley Water District, Clackamas County, Clean Water Services (Hillsboro, OR).
