Re: Docket No. CP 1579 – Request to Cancel Certificate of Authority of opticAccess, LLC

Dear Sir or Madam:

By this letter, Zayo Group, LLC ("Zayo"), as successor-in-interest to opticAccess, LLC ("opticAccess"), requests that the Commission cancel the Certificate of Authority ("Certificate") granted to opticAccess in Docket No. CP 1579 effective immediately and no later than December 31, 2018. On September 30, 2018, opticAccess merged into its parent, Zayo, and therefore no longer exists as a separate entity. At the time of the merger, opticAccess did not have any customers in Oregon. Therefore, the Certificate of opticAccess is not needed and its immediate cancellation will not affect Oregon customers and will serve the public interest.

Should you have questions regarding this filing, please contact the undersigned.

Respectfully submitted,

/s/ Charles Forst
