**Subject:** Re: Docket Number UCB 70--Notice of Filing--Oregon PUC

Please be advised that the building owners and NW Natural have worked out an agreement regarding the gas lines here at 1127 SE 10th Ave.

I have spoken with Zachary Kravitz; he advised me to follow-up with this email to belay the hearing scheduled for Friday 8/11/17.

This hearing does not need to proceed.

Thank you for your time and consideration.

Best.

George
