Subject: RE: Joint Proposal - UM 1354

Dear Judge Kirkpatrick:

I have not received any objection to cancelling tomorrow's PHC and most parties have affirmatively agreed (Staff, CUB and TRACER). Therefore, I am requesting that tomorrow's conference be cancelled. However, there is still some discussion about a new date for the week of October 21. I will continue to work with the parties to find a date, or if you would prefer to have your office coordinate please let me know.
