MOTION TO AMEND DESIGNATED SERVICE AREA

After consulting with the Oregon Public Utility Commission (“Commission”) staff, Boomerang Wireless, LLC d/b/a enTouch Wireless (“Boomerang”), through this Motion, requests that the Commission remove certain Zip codes from Boomerang’s designated service area, as set forth herein.

The Commission designated Boomerang as an Eligible Telecommunications Carrier (“ETC”) and Eligible Telecommunications Provider (“ETP”) on September 16, 2015 in Order No. 15-1280, based on a Stipulation between the parties to docket UM 1668.¹ Boomerang’s original designated service area consisted of certain Zip codes, as identified in the Order and Stipulation. In accordance with Paragraph 12 of the Stipulation,² Boomerang filed notice of

¹ *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Application for Limited Designation as an Eligible Telecommunications Carrier and Eligible Telecommunications Provider*, Docket No. UM 1668, Order No. 15-280 (entered September 16, 2015) (approving Stipulation filed on July 31, 2015).

² “If Boomerang discontinues the use of either Verizon Wireless or Sprint facilities to provide Lifeline services in Oregon, or expands coverage through use of additional underlying wireless facilities, it will file notice with the Commission in Docket No. UM 1668 at least thirty (30) days prior to the network change. After notice is filed, Staff will perform a review of Boomerang's remaining wireless coverage and may recommend that the Commission modify Boomerang's designated service area as may be appropriate.” Paragraph 12, Order No. 15-280.

expansion of coverage and request to expand its designated service area on April 12, 2016.³ The Commission granted Boomerang's request on May 3, 2016 by issuing Order No. 16-170, resulting in the addition of additional Zip codes to Boomerang's designated service area.⁴ Besides the Zip code-based designations, the Commission has designated Boomerang as an ETC and ETP throughout the following Tribal lands: the Siletz Reservation, the Umatilla Reservation, and the Burns Paiute Indian Colony.⁵

Boomerang's current ETC and ETP designated service is comprised of the Zip codes set forth in Exhibit 1 to this Motion, as well as the Tribal areas also set forth in Exhibit 1. The current designated service area is illustrated in the map in Exhibit 2 to this Motion.

Boomerang now respectfully requests that the Commission modify Boomerang's designated service area by removing certain Zip codes. As Boomerang informed the Commission in February, Boomerang is no longer utilizing the wireless network for AT&T Mobility in Boomerang's provision of Lifeline services in Oregon. Over the past several months, Boomerang has evaluated coverage in its designated service area, including evaluating coverage information from its remaining underlying carriers (Verizon, Sprint, and T-Mobile). Boomerang has also discussed the coverage issues with the Commission Staff. Boomerang has concluded that at this time there is insufficient coverage in certain Zip codes to ensure that Oregon Lifeline customers throughout those Zip codes would receive an acceptable level of service. Accordingly, Boomerang seeks to remove the following Zip codes from its designated service area: 97131, 97380, 97390, 97413, 97430, 97434, 97463, 97480, 97486, 97750, 97830, 97836, 97846, 97856, 97869, 97880, and 97885. Boomerang does not serve any current Lifeline subscribers in the Zip codes that it seeks to remove.

This adjustment will help ensure that Boomerang will meet its obligations as an Oregon ETC and ETP throughout the remaining designated service area, which will continue to include the Zip codes and Tribal areas listed in Exhibit 3. For the sake of clarity, Boomerang is not making any changes to its designation on Tribal lands at this time. A map of the adjusted designated service area is attached hereto as Exhibit 4.

³ *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Notice of Expansion of Coverage Through Use of Additional Underlying Wireless Facilities, and Request to Modify Designated Service Area*, Docket No. UM 1668 (filed April 12, 2016).

⁴ *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Request to Modify Designated Service Area*, Docket No. UM 1668, Order No. 16-171 (entered May 3, 2016).

⁵ *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Supplemental Application to Expand Designated Service Area to Include the Burns Paiute Indian Colony*, Docket No. UM 1668, Order No. 16-492 (entered Dec. 20, 2016); *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Supplemental Application to Expand Designated Service Area to Include the Umatilla Reservation*, Docket No. UM 1668, Order No. 16-250 (entered July 5, 2016); *In the Matter of Boomerang Wireless, LLC dba enTouch Wireless, Supplemental Application to Expand Designated Service Area to Specific Tribal Lands*, Order No. 16-170 (entered May 3, 2013).

For the reasons set forth above, Boomerang requests that the Commission enter an Order modifying Boomerang's designated service as requested herein.

Respectfully submitted this 7th day of November 2017.
