Subject: UM 1818 Extension of Stipulated Facts Deadline

UM 1818, Columbia Basin Electric Cooperative v. Umatilla Electric Cooperative

Judge Rowe,

Pursuant to the prior extension to the procedural schedule in UM 1818, the parties were given an extension until today to file stipulated facts, or to provide notice that the parties could not agree on such facts. Currently, the parties have

exchanged facts and discussed versions of the proposed stipulated facts. The parties still need some additional time to verify certain facts and to attempt to reach agreement on the stipulated facts.

The parties have conferred and respectfully request an extension of the deadline to July 7th. The parties would also like to schedule a conference call with you after the 7th to discuss a schedule for the remainder of the case.

Thank you,

Ray Kindley,
Of attorneys for Columbia Basin Electric Cooperative.
