**Subject:** UM 1818--stipulated facts deadline

Judge Rowe,

Under the procedural schedule in UM 1818, the parties were given a deadline of today to file a joint set of stipulated facts, or to notify the Commission that the parties were not able to agree on a set of stipulated facts. The parties are currently working on developing a joint set of stipulated facts, and request a 2 week extension of the deadline. Please let me know if you have any questions or require a formal motion. Thank you.

Best regards,

Chad
