

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1824

In the Matter of the Public Utility
Commission of Oregon Investigation into
PacifiCorp, d/b/a Pacific Power's Oregon-
Specific Cost Allocation Issues.

MOTION FOR EXTENSION OF TIME

Comes now Imperial Irrigation District (IID) and moves for permission to file a reply to PacifiCorp's Objection to Imperial Irrigation District's Petition to Intervene by June 15, 2017. Chief Regulatory Counsel for PacifiCorp, Matthew McVee, was contacted related to this request and advised there was no objection.

IID filed its Petition to Intervene in the instant proceeding on May 22, 2017. On that same date, OPUC staff notified all parties that there would be a workshop in this matter on June 1, 2017. The undersigned counsel for IID traveled to Salem, OR and attended the workshop on June 1, 2017. While there, IID was informed of PacifiCorp's filed objection.

IID would like to file a reply to PacifiCorp's objection, and needs some time to prepare the filing. In addition, IID's legal counsel has prior commitments which rendered a response this week difficult. Therefore, IID is requesting permission to file a reply by June 15, 2017.

Respectfully submitted this 8th day of June, 2017.
