

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

Docket WJ 34

In the Matter of

Request for Rate Regulation of Aspen
Lakes Utility, LLC

ASPEN LAKES ESTATES OWNERS'
STIPULATED MOTION TO MODIFY
PROCEDURAL SCHEDULE

MOTION

Pursuant to OAR 860-001-0390, moves the Public Utility Commission of Oregon (“Commission”) to modify the procedural schedule currently in place in this proceeding as set forth below. Counsel for Petitioner Aspen Lakes Estates Owners (“Petitioner”) has conferred with counsel for Aspen Lakes Utility, LLC (“Company”) and each supports this motion.

DISCUSSION

On February 26, 2018, Administrative Law Judge Power issued a Prehearing Conference Memorandum establishing a procedural schedule in this matter. The parties continue to engage in discovery in this matter and have determined that it is appropriate to modify the procedural schedule to allow the initial stages of discovery to conclude prior to the first round of testimony. The parties have also determined that it will be appropriate to have a protective order in place and desire to have time for that to occur as part of the discovery process. The parties have therefore determined that the procedural schedule should be modified initially as follows:

- Petitioner Testimony: June 15, 2018
- Respondent/Staff/Intervenor Testimony: July 13, 2018
- All Party Cross-Answering Testimony August 10, 2018
- Hearing: To Be Set Based on Commission availability

The above dates were generally agreed to by the parties, but the parties agree that specific deadlines may need to be modified in the future as the availability of party representatives becomes more certain.

Dated this 27th day of April 2018.

Respectfully submitted,

Tommy A. Brooks, OSB 076071
