IF THE PETITIONER IS AN ORGANIZATION, THE NUMBER OF MEMEBERS IN AND  
THE PURPOSES OF THE ORGANIZATION: Not Applicable.

NATURE AND EXTENT OF THE PETITIONER'S INTEREST IN THE PROCEEDING:

Bonneville Power Administration ("Bonneville") is a Federal power marketing agency whose service territory includes the states of Oregon, Washington, Idaho, Montana west of the Continental Divide, and parts of Wyoming, Utah, Nevada, and California. Bonneville provides approximately 75 percent of the transmission service and generates approximately 40 percent of the power consumed in its service territory. Bonneville is interconnected with Idaho Power Company ("Idaho Power"), other utilities in the Pacific Northwest, and with transmission systems outside the Pacific Northwest.

On December 30, 2009, Idaho Power filed a Motion for Acceptance (Expedited Consideration Requested) of the Company's Late-Filed 2009 Integrated Resource Plan ("IRP") in this docket. The proposed IRP includes the Boardman-Hemmingway transmission line. Bonneville has power requirements customer loads in eastern Idaho that are remote from Bonneville's transmission network and that are connected directly or indirectly to Idaho Power's transmission system. Bonneville delivers power to Idaho Power at LaGrande, Oregon, and at other interconnection points, for transmission over Idaho Power's system to Bonneville's loads in eastern Idaho. Bonneville's eastern Idaho loads are growing, and Bonneville and its Idaho customers will soon need additional transmission capacity from Bonneville's existing network to those loads. Bonneville is considering use of the proposed Boardman-Hemmingway project to help serve Bonneville's Idaho loads. Bonneville's interests are directly affected by the proposed project.

THE ISSUES THE PETITIONER INTENDS TO RAISE AT THE PROCEEDING:

Unknown at this time.

ANY SPECIAL KNOWLEDGE OR EXPERTISE OF THE PETITIONER THAT WOULD ASSIST THE COMMISSION IN RESOLVING THE ISSUES IN THE PROCEEDING:

See description of the Bonneville's interest, above.

Based on the information provided above in accordance with the Commission's rules of procedure, Bonneville Power Administration requests to participate in this proceeding as an intervenor. Such intervention will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-012-0001(2). I am authorized to represent Bonneville, and my representation will not unreasonably broaden the issues, delay the proceeding, or otherwise hinder the orderly and timely development of the record. OAR 860-012-0007(2).

Pursuant to OAR 860-013-0070(4), Petitioner hereby agrees to accept service by electronic mail and waives other forms of service provided in OAR 860-013-0070(1).
