3. If the petitioner is an organization, the number of members in and the purposes of the organization:

Renewable Northwest is a non-profit advocacy organization that works to facilitate the expansion of responsibly developed renewable resources in the Northwest. Renewable Northwest has 50 member organizations that include renewable energy developers and manufacturers, as well as consumer advocates, environmental groups, academic institutions, and other industry advisers. The common goal of Renewable Northwest's members is to promote the development of a cost-effective, reliable, and clean energy system for the betterment of the Northwest economy and environment.

4. The nature and extent of the Petitioner's interest in the proceeding is:

Renewable Northwest is interested in the ensuring that PacifiCorp's inter-jurisdictional allocation protocols complement policies that the state of Oregon has adopted in recognition of the benefits of renewable resources and of increasingly cleaner utility portfolios. PacifiCorp's inter-jurisdictional protocols could impact Oregon's policies on renewables, including the state's Renewable Portfolio Standard ("RPS"), and could affect implementation of other provisions in Senate Bill 1547. Renewable Northwest has members with an interest in renewable development in the region. Therefore, we have a direct and substantial interest in this proceeding. No other party can adequately represent Renewable Northwest's interest in this proceeding.

5. The issues the Petitioner intends to raise at the proceeding are:

Renewable Northwest intends to participate as a party and raise issues that are appropriate to the proceeding.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

Renewable Northwest has been monitoring discussions and proceedings regarding PacifiCorp's Multistate Protocol for issues that impact renewable development and transmission policy in the region. We have a long history of participating in regulatory proceedings and other stakeholder processes related to PacifiCorp's resource planning, transmission planning, and the development of Qualifying Facilities in PacifiCorp's territory. Additionally, we were one of the principal proponents of Senate Bill 1547.

7. Based on the information provided above in accordance with the Commission's rules of procedure, Renewable Northwest respectfully requests that the Commission grant this Petition to Intervene. It is in the public interest to allow Renewable Northwest to intervene in this proceeding. Moreover, Renewable Northwest's participation in this docket will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.

Respectfully submitted this 8th day of May, 2017.
