RE: RE 142 - Informational Filing on Qualifying Facility Transactions

In accordance with OAR 860-029-0020(1), PacifiCorp submits electronic copies of executed qualifying facility power purchase agreements (PPAs), as listed on Attachment A. Two of the PPAs have been redacted to protect confidential information. Non-redacted versions of the confidential PPAs are filed consistent with OAR 860-001-0070. Due to the voluminous size of the attachments, non-confidential and confidential information will be provided on the enclosed CDs.

These PPAs were entered under the Public Utility Regulatory Policies Act of 1978 (PURPA). Under OAR 860-029-0020(1), public utilities must file a true copy of the executed PPAs between the utility and PURPA qualifying facilities.

If you have any questions, please contact Natasha Siores at (503) 813-6583.

Sincerely,

R. Bryce Dalley
Vice President, Regulation
