RE: Public Utility Avoided Cost Reporting

Dear Mr. Rossow:

Tillamook People's Utility District (PUD) is a full-requirements customer of the Bonneville Power Administration (BPA) with a Load Following Power Sales Agreement currently in effect until September 30, 2028.

The avoided cost of Tillamook PUD is established by the terms of this power sales agreement, the Service Agreement for Network Integration Transmission, applicable BPA rate schedules and amendments. Complete copies of these materials are available at Tillamook PUD's offices in Tillamook, Oregon.

Sincerely,

James Martin  
Finance Manager
