**RE: PacifiCorp's 2013 Net Metering Report for Oregon - RE 39**

Enclosed for filing by PacifiCorp d/b/a Pacific Power (PacifiCorp or Company) is the Net Metering Report for calendar year 2013. This report is submitted in compliance with OAR 860-039-0070(2).

PacifiCorp would like to inform the Oregon Public Utility Commission that the current installed capacity of net metering systems equals 192% of "one half of one percent of the Utility's...historic single hour peak load." Oregon Statute 757.300(6) allows the Commission to limit the expansion of net metering "in order to balance the interests of retail customers" when that limit has been reached.

Informal inquiries on this filing may be directed to Gary Tawwater, State Manager, Regulatory Affairs at (503) 813-6805.

Sincerely,

R. Bryce Dalley  
Vice President, Regulation  
Enclosure

# Oregon Net Metering Report
