Please note that the Oregon allocated amounts reflected in this report are estimates based on projected Oregon allocation percentages for calendar year 2014. Oregon's actual allocation of revenues, expenses, and rate base balances are determined using the commission-approved 2010 Protocol allocation methodology.

(1) Amounts do not include convenience payments that are made to entities such as BHE for large purchases, saving PacifiCorp money with "bulk" purchases and reduced prices per unit.

(2) Energy West includes all costs, including depreciation and other items to which PacifiCorp retains title. The PacifiCorp costs are not considered affiliate transactions for SEC reporting.

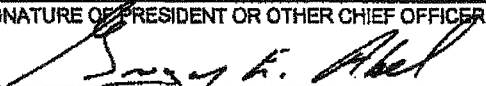

(3) These companies are BHE affiliates. PacifiCorp does not specifically budget for these transactions and no data is available for the 2015 plan.

* Amounts do not include capital expenditures listed for the affiliated interest entities.
