**Re: RO 11 – Public Utility Commission of Oregon (“OPUC”) Mid-Cycle (5-Year) Detailed Inspection Reporting Check-In**

Pursuant to Oregon Administrative Rule 860-024-0011(1)(b)(A)(i), Portland General Electric Company (“PGE”) submits the enclosed Five-Year Check-In Short Form (“Short Form”)<sup>1</sup> for filing in OPUC Docket No. RO 11. It should be noted that the information provided through the Five-Year Check-In Short form falls within the realm of critical infrastructure information and is therefore classified by PGE as “confidential information” and subject to OAR 860-001-0070.

While the information contained on PGE’s Short Form meets (and exceeds) the requirements of 860-024-0011(1)(b)(A)(i), PGE recognizes OPUC Staff’s March 17, 2023 request for PGE to provide additional information and data beyond the scope of the rule. PGE is committed to being helpful and will respond to Staff’s March 17 request separate and apart from Docket No. RO 11.

Should you have any questions or comments regarding this filing, please contact Terrence Blanc at (503) 812-5598. Please direct all formal correspondence and requests to the following email address [pge.opuc.filings@pgn.com](mailto:pge.opuc.filings@pgn.com).

Sincerely,

A handwritten signature in black ink that reads "Riley Peck".
