RE: Facilities Inspection Progress Report for Reporting Cycle 2008-2017

Central Lincoln fell short of meeting the requirements of OAR 860-0024-0011 for the reporting cycle ending December 31, 2017, by approximately 3,000 inspections.

To correct this, Central Lincoln will be hiring contractors to complete the inspections. This work should begin within the next two months and be completed during 2018.
