**Re: UE 231 - Steam Sale Agreement between PGE and Columbia River Processing
Advice Filing 2016-S1 (Extension Request)**

Per ORS 757.005, 757.007, and 757.009, enclosed for filing is an Amendment to Steam Sale Agreement (First Amendment) between Portland General Electric Company (PGE) and Columbia River Processing (CRP). The purpose of the Amendment is to extend the expiration date of the existing agreement from August 1, 2016 to December 31, 2016. The existing Energy Sale Agreement between CRP and PGE was approved by the OPUC in Order 11-247 on June 7, 2011.

PGE and CRP are working on the terms and conditions of a new steam sale agreement and require additional time to complete the negotiations. The primary changes to the new agreement are to:

- Align customer renewal dates to January 1st;
- Implement a capacity charge to recover fixed costs;
- Split the variable steam charge into a Base Steam charge and Peak Steam charge; and
- Implement a charge for excessive steam volume changes if the customer's Steam Block and control valve is not operational.

PGE will file the new agreement with the OPUC for its review at the close of negotiations, and anticipates that it will request the contract become effective on January 1, 2017.

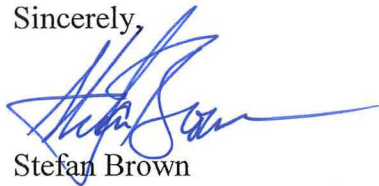

We have discussed with Staff the fact that we will be filing under a short turnaround time, requesting the amended contract be considered at the July 19, 2016 Public Meeting to ensure that steam service to CRP is not interrupted. Staff is alright with our filing under a Less Than

NOTE: ATTACH EXHIBIT IF SPACE IS INSUFFICIENT.

1. GENERAL DESCRIPTION OF THE PROPOSED SCHEDULE(S) ADDITION, DELETION, OR CHANGE. (SCHEDULE INCLUDES ALL RATES, TOLLS AND CHARGES FOR SERVICE AND ALL RULES AND REGULATIONS AFFECTING THE SAME)
 PGE's current steam agreement with Columbia River Processing "CRP" expires 8-1-16. PGE is requesting an extension of the expiration date of that agreement (Advice 2016-S1) in order to allow additional time to negotiate a new agreement. Because the current steam sale agreement with CRP will expire on 8-1-16, PGE requests that this extension be approved at the 7-19-16 Public Meeting to ensure that steam service to CRP is not interrupted.

2. APPLICANT DESIRES TO CHANGE THE SCHEDULE(S) NOW ON FILE KNOWN AND DESIGNATED AS: (INSERT SCHEDULE REFERENCE BY NUMBER, PAGE, AND ITEM)
 PGE requests an extension of the expiration date for its Steam Agreement with CRP, which was approved through OPUC Order 11-247, Docket UE 231.

3. THE PROPOSED SCHEDULE(S) SHALL BE AS FOLLOWS: (INSERT SCHEDULE REFERENCE BY NUMBER, PAGE AND ITEM)
 See Response to Ques. 1 and 2 above.

4. REASONS FOR REQUESTING A WAIVER OF STATUTORY NOTICE:
 PGE is in negotiations with CRP and other steam customers for new steam sale agreements. In order to enhance efficiency in administering these agreements in the future, PGE would like all the agreements to have the same effective date, January 1, 2017. Accordingly, PGE wishes to extend the term of this existing steam sale agreement (Advice 2016-S1) with CRP to December 31, 2016. This extension would also provide additional time to negotiate the new steam sale agreement with CRP and obtain OPUC approval of the new steam sale agreement. See Questions 1 through 3 above.

5. REQUESTED EFFECTIVE DATE OF THE NEW SCHEDULE(S) OR CHANGE(S): August 1, 2016
