Re: UI 376 Supplemental Filing – Confidential Information

On October 12, the OPUC Staff asked that PGE supplement its UI 376 affiliated interest filing with confidential information that is available in PGE's current AUT filing (UE 308), specifically PGE Exhibits 701C and 703C. These exhibits contain the definitive agreements for the proposed transaction between the Portland General Gas Supply Company and its supplier.

As noted in UE 308, PGE Exhibit 700, these definitive agreements are subject to final management approvals within each company and any necessary board of director and other internal governance required approvals by each company. PGE submits the definitive agreements in this docket for convenience as Attachment 4-A.

Attachment 4-A is protected information subject to the Protective Order No. 16-297.

If you have any question, please contact me at (503)464- 7580 or Alex Tooman at (503) 464-7623.

Sincerely,

A handwritten signature in blue ink that reads "Alex Tooman for". The signature is written in a cursive, flowing style.
