RE: PGE 2015 Electricity Product Claim Reconciliation Report – Request for Extension of the Filing Date

Due to unanticipated workloads and the absence of key people, PGE requests a two-week extension of time to file the annual Product Claim Reconciliation report for 2015 from September 1 to September 15, 2016.

This informational report summarizes PGE's purchases and sales of renewable energy certificates (RECs) on behalf of customers that subscribed to PGE's voluntary renewable portfolio programs. We have contacted the OPUC Staff who receives this information and they have reported no concerns with extending the date.

Should you have any questions regarding this filing, please contact Bruce Werner at (503) 464-7481.

Sincerely,
