UM 1631

In the Matter of

PACIFICORP d/b/a PACIFIC POWER

Petition for a Limited Waiver of the Filing Deadline in OAR 860-023-0151(1).

PETITION FOR A LIMITED WAIVER OF THE FILING DEADLINE IN OAR 860-023-0151(1)

Expedited Consideration Requested

PacifiCorp d/b/a Pacific Power (PacifiCorp or the Company) files this petition with the Public Utility Commission of Oregon (Commission) under OAR 860-023-0000(2), which permits the Commission to waive application of a Division 023 rule "for good cause shown." Pursuant to OAR 860-023-0151(1) electric utilities are required to file an Annual Report on Electric Reliability on May 1 each year. The Company respectfully requests the Commission grant this wavier for good cause shown and extend the May 1 deadline to May 5 for this reporting year.

PacifiCorp reviewed the Annual Report on Electric Reliability before its planned submission on May 1, 2023, and found that certain aspects of the report do not reflect certain events that occurred in 2022. Therefore, the Company requires a short extension of four days to update the report accordingly and preform data quality checks to ensure the accuracy of the information that will be provided. PacifiCorp has informed Commission Staff about the need for an extension and is seeking expedited consideration of this petition. Although the Company previously believed that it would be able to timely submit the annual report, it now requires additional time to ensure the report's accuracy.

Granting this waiver is in the public interest. The requested waiver allows additional time for PacifiCorp to complete the Annual Report on Electric Reliability for calendar year 2022, and decreases the risk of errors that would need to be corrected. This will reduce unnecessary UM 1631—Petition for Limited Waiver of the Filing Deadline in OAR 860-023-0151(1)

administrative burden on both PacifiCorp and Commission Staff and help ensure the accuracy of the report. PacifiCorp's customers will not be harmed by this extension. Accordingly, PacifiCorp respectfully requests that the Commission grant this waiver for good cause shown.

Respectfully submitted this 2nd day of May, 2023.
