

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

RE 54

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Annual Reports in Compliance with
OAR 860-027-0070

PORTLAND GENERAL ELECTRIC
COMPANY'S MOTION FOR TEMPORARY
WAIVER AND REQUEST FOR EXTENSION
OF DEADLINE FOR FILING 2022 ANNUAL
REPORTS

Pursuant to OAR 860-027-0000(2), Portland General Electric Company respectfully requests that the Commission grant a temporary waiver from the May 1 deadline for the filing of annual reports, as required by OAR 860-027-0070(1). OAR 860-027-0070(1) requires PGE to file annually, on or before May 1, a report with the Commission; "the annual reports include but are not limited to the FERC 1 (including the Oregon Supplement) or the FERC 2 (including the Oregon Supplement), and the Results of Operations." PGE's 2022 annual reports were not timely filed.

While submitting responses to data requests for other Commission matters, PGE's support staff inadvertently missed the annual reports filing. As of today, PGE has submitted the annual reports. OAR 860-027-0000(2) permits the granting of a waiver of any of the Division 027 rules for good cause. Good cause exists to grant a temporary waiver of the May 1 deadline in OAR 860-027-0070(1) since PGE did not intentionally miss the deadline and timely corrected the omission once notified of the error. The requested extension will cause no harm to PGE's customers, potential competitors, or stakeholders.

For the reasons discussed above, PGE respectfully requests that the Commission grant this motion for waiver and accepts PGE annual reports submitted on June 16, 2023.

DATED this 16th day of June, 2023.

Respectfully submitted,

Kim S. Burton, OSB #221958
