REQUEST FOR WAIVER OF OAR)	
860-027-0005 and 860-027-0015.)	

I. INTRODUCTION

1 Pursuant to OAR 860-027-0000(2) Portland General Electric Company ("PGE"), requests
2 that the Commission grant PGE: (1) a waiver from compliance with OAR 860-027-0005, which
3 requires each energy utility operating within Oregon having gross operating revenues of \$50,000 or
4 more per annum to file with the Commission on or before the first day of November of each year, a
5 copy of its proposed Budget of Expenditures, on forms approved by the Commission; and (2) a
6 waiver from compliance with OAR 860-027-0015, which requires each energy utility operating
7 within Oregon to file annually on or before December 31, on forms approved by the Commission
8 information on new construction, extensions, and additions to the utility's property.

II. DISCUSSION

9
10 PGE's fiscal year is based on a calendar year. As such, the data required to generate the
11 reports described in OAR 860-027-0005 and OAR 860-027-0015 is not available to the Company
12 until after the specified due dates, November 1st and December 31st, respectively. Therefore, PGE
13 requests an extension of time to February 15, 2014, in which to file its 2014 New Construction
14 Budget and its 2014 Annual Budget of Expenditures Reports. In past years, PGE informally
15 requested and received extensions of time, in which to file the subject reports, from Commission
16 Staff. The extension remains necessary, given that the information needed for PGE to complete the
17 reports is not available until after January 15, 2014.

III. REQUEST FOR WAIVER

Pursuant to OAR 860-027-0000(2) and for the reason explained above, PGE requests a waiver from compliance to OAR 860-027-0005 and OAR 860-027-0015.
