RE: Request for Waiver of the Multilingual Notice Requirement in OAR 860-036-0235

Storlie Water Company, Inc. (Storlie) requests a waiver of the multilingual notice requirement in OAR 860-036-0235(1) pursuant to OAR 860-036-0235(2)(a) and OAR 860-036-0001(1). Pursuant to OAR 860-036-0235(2)(a), the Commission may grant a waiver of the multilingual notice requirement for a water utility with fewer than 50,000 customers if the utility can show that less than 5 percent of its Oregon customers would benefit from a multilingual notice. Storlie currently serves only 17 residential customers, all of whom are fluent in the English language. Because none of Storlie's customers would benefit from a multilingual notice, the company respectfully requests a waiver of the obligation to provide it.

Thank you for your consideration.

Sincerely,

Terry Storlie
President
