In response to Public Utility Commission of Oregon staff’s March 22, 2018 email requesting each utility to supplement its federal income tax deferral filing, Cascade Natural Gas (Cascade) provides the following:

- Cascade’s projected results of operations, using a with and without tax reform, for the period January 1, 2018 through March 31, 2019, results in a tax savings of \$1,010,005.

The above information is provided as a supplement to Cascade’s deferral application filed on December 29, 2017, in the above-referenced docket.

If you have any questions concerning the submittal, please contact Michael Parvinen at (509) 734-4593.

Sincerely,
