Revises tariff rates for Intrastate Access Service as required by FCC Order
No. 11-161 and subsequent order (DA 14-434) adopted March 31, 2014.**

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on May 15, 2015, and will go into effect on July 1, 2015.

This filing revises Asotin Telephone Company's Tariff PUC Or. No 3, Access Services, as required by FCC Order No. 11-161, released November 18, 2011, and subsequent Orders on Reconsideration.

As required by the FCC, intrastate terminating access and reciprocal compensation rates will gradually be eliminated and replaced by a bill & keep process. For Rate of Return carriers, this phase down began on July 1, 2012 and is to be completed on July 1, 2020. This revision of tariffs represents step 4 of 9.

Other rate changes included in this filing reflect rate changes that will be filed in the NECA FCC Tariff No. 5.

This filing will not cause the withdrawal of service, or conflict with other schedules and is revenue neutral.
