

**OREGON PUBLIC UTILITY COMMISSION  
(INTEROFFICE CORRESPONDENCE)**

**DATE:** June 15, 2017

**TO:** File through Roger White *RW*

**FROM:** Armando Fimbres *Aff*

**SUBJECT:** Home Telephone Company, Advice No. 145-ADV 568  
Revises tariff language and rates for Intrastate Access Service  
as required by FCC Order No. 11-161 and subsequent orders.

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on May 22, 2017, and will go into effect on July 1, 2017. A supplemental filing was submitted on June 20, 2017.

Both filings revise intrastate switched access rates for Home as required by FCC Order No. 11-161, released November 18, 2011, and subsequent orders.

The June 20, 2017, supplemental filing revised the 800 Data Base Access Service Query to be at parity with NECA's interstate switched access rates that were filed with the FCC on June 16, 2017.

As required by the FCC, intrastate access rates will more closely resemble a company's interstate access rates. This filing will not cause the withdrawal of service, or conflict with other schedules and is revenue neutral.
