

**PUBLIC UTILITY COMMISSION OF OREGON
STAFF REPORT
PUBLIC MEETING DATE: January 30, 2018**

REGULAR _____ CONSENT X EFFECTIVE DATE _____ N/A _____

DATE: January 22, 2018

TO: Public Utility Commission

FROM: Kay Marinos ^{KM}

THROUGH: ^J Jason Eisdorfer and ^{BC} Bryan Conway

SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to approve Negotiated Interconnection Agreements and Amendments submitted pursuant to Section 252(e) of the Telecommunications Act of 1996.

STAFF RECOMMENDATION:

Staff recommends the Commission approve the new negotiated interconnection agreements and the amendments to previously approved interconnection agreements listed below, with the agreements and amendments to be considered legally enforceable on the date of Commission approval.

DISCUSSION:

47 U.S.C. Sections 252(a) and (e) require that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under 47 U.S.C. Section 252(e)(4), the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity.
See 47 U.S.C. Section 252(e)(2).

An interconnection agreement or amendment thereto is not legally enforceable until approved by a state commission. See 47 U.S.C. Sections 252(a) and (e). Accordingly, although the contracting parties may state in the agreement that each will abide by the

agreement prior to its approval by the Commission, the legally enforceable date under 47 U.S.C. Section 252 of any submitted agreement or amendment is the date the Commission approves it.

Staff has reviewed the following agreements and amendments to previously approved agreements submitted for Commission approval:

Docket	Parties to the Agreement or Amendment
ARB 5(5)	AT&T Corp. fka AT&T Communications of the Pacific Northwest, Inc. and Frontier Communications Northwest Inc.
ARB 125(5)	TCG Oregon, Inc. and Frontier Communications Northwest Inc.
ARB 1163	Lightspeed Networks, Inc. and CenturyTel of Oregon, Inc. dba CenturyLink and CenturyTel of Eastern Oregon, Inc. dba CenturyLink
ARB 1164	Lightspeed Networks, Inc. and United Telephone Company of the Northwest dba CenturyLink

Staff recommends approval of the agreements and amendments. Staff finds that the agreements and amendments do not discriminate against non-party telecommunications carriers and do not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the agreements or amendments.

PROPOSED COMMISSION MOTION:

Approve the new agreements and amendments to previously approved agreements listed above.
