

**PUBLIC UTILITY COMMISSION OF OREGON
STAFF REPORT
PUBLIC MEETING DATE: June 9, 2015**

REGULAR _____ CONSENT X EFFECTIVE DATE _____ N/A _____

DATE: May 18, 2015

TO: Public Utility Commission

FROM: Armando Fimbres

THROUGH: *MAE* Jason Eisdorfer, *AF* Bryan Conway, and *KM* Kay Marinos

SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to approve Negotiated Interconnection Agreements and Amendments submitted pursuant to Section 252(e) of the Telecommunications Act of 1996.

STAFF RECOMMENDATION:

Staff recommends the Commission approve the new amendments to previously approved interconnection agreements listed below, with the amendments to be considered legally enforceable on the date of Commission approval.

DISCUSSION:

47 U.S.C. Sections 252(a) and (e) require that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under 47 U.S.C. Section 252(e)(4), the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

- (i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity.
- See 47 U.S.C. Section 252(e)(2).

An interconnection agreement or amendment thereto is not legally enforceable until approved by a state commission. See 47 U.S.C. Sections 252(a) and (e). Accordingly, although the contracting parties may state in the agreement that each will abide by the agreement prior to its approval by the Commission, the legally enforceable date under

47 U.S.C. Section 252 of any submitted agreement or amendment is the date the Commission approves it.

Staff has reviewed the following amendments to previously approved agreements submitted for Commission approval:

Docket	Parties to the Amendments
ARB 451(14)	Quantum Communications LLC. and Qwest Corporation dba CenturyLink QC
ARB 540(5)	XO Communications Services, LLC and Frontier Communications Northwest Inc.

Staff recommends approval of the amendments. Staff finds that the amendments do not discriminate against non-party telecommunications carriers and do not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under 47 U.S.C. Section 252(e)(2) to reject the amendments.

PROPOSED COMMISSION MOTION:

The new amendments to previously approved agreements listed above be approved.
