SUBJECT: PORTLAND GENERAL ELECTRIC: (Advice No. 14-19) Requests Approval of Changes to PGE's Tariff for the Purpose of Correcting References, Typographical Errors, and Minor Updates.

**STAFF RECOMMENDATION:**

The Public Utility Commission (Commission) should approve the application by Portland General Electric (PGE or Company) to revise Tariff P.U.C. No. 18 (Tariff).

**DISCUSSION:**

PGE filed Advice No. 14-19 on October 21, 2014, pursuant to Oregon Revised Statutes 757.205 and 757.210. The filing included proposed tariff sheets associated with its Tariff. A supplemental filing was also filed October 30, 2014 to incorporate Staff comments and to request Less than Statutory Notice from the Commission. Oregon Administrative Rules 860-022-025(2) and 860-022-0030(1) do not apply to this filing because the Company is not proposing prices.

Staff Analysis

Staff reviewed each of the proposed Tariff changes and confirmed that the revisions reflected accurate and up to date information. During informal discussions with Staff, the Company verified the accuracy of the updates, provided their rationale for formatting changes, and confirmed where typographical errors were corrected.

Staff is satisfied that the proposed changes reflect only minor updates and corrections, and that no substantive changes to the Tariff are being proposed.
