Renewable Energy Resources.

RULING

**DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED**

On February 16, 2018, Portland General Electric Company; PacifiCorp, dba Pacific Power; and Idaho Power Company (Joint Utilities) filed a motion to modify the procedural schedule to extend the due date for reply comments to February 26, 2018. The Joint Utilities request expedited consideration because reply comments are currently due February 21, 2018.

The Joint Utilities report that Commission Staff, the Renewable Northwest, Industrial Customers of Northwest Utilities, and the Northwest and Intermountain Power Producers Coalition (participants who provided comments on February 14, 2018) support or do not oppose this motion. The Joint Utilities note that extending the deadline for reply comments will still provide the Commissioners and participants just over a week to review comments before the Commission workshop scheduled for March 6, 2018.

For good cause shown, the motion is granted. Reply comments are due February 26, 2018.

Dated this 20<sup>th</sup> day of February, 2018, at Salem, Oregon.
