

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

IC 16

In the Matter of

NORTH COUNTY COMMUNICATIONS  
COMPANY OF OREGON,

Complainant,

vs.

CENTURYTEL OF OREGON, INC.,

Respondent.

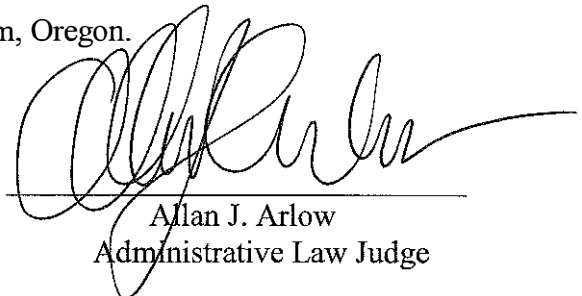

RULING

DISPOSITION: MOTION GRANTED TO EXTEND TIME TO ANSWER

On August 29, 2012, CenturyTel of Oregon, Inc., d/b/a CenturyLink filed a motion to extend time to answer the instant complaint. The extension request constitutes a delay of one week. CenturyLink indicates that complainant does not object to the motion.

I find that a delay of one week is reasonable and will not unduly delay the proceedings. The motion is granted. CenturyTel's answer to the complaint is due September 10, 2012.

Dated this 30th day of August, 2012 at Salem, Oregon.
