RULING

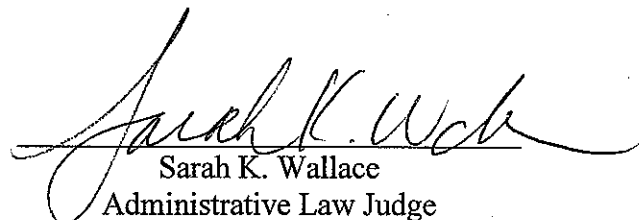

DISPOSITION: MOTION FOR AN EXTENSION GRANTED

On June 15, 2010, Staff of the Public Utility Commission of Oregon moved for an extension of time to submit its comments and draft order. Staff did not explain the need for an extension, nor did Staff request expedited consideration. Staff did indicate, however, that Idaho Power Company does not object to Staff's requested extension, and that no party responded to an electronic mail message sent earlier today regarding the request.

Motions for an extension filed the day before the due date are generally disfavored, and such motions should include an explanation of the need for the extension and a request for expedited consideration. But because it appears that no party objects to Staff's request and that no party will be prejudiced by the extension, Staff's motion is granted. The following schedule is adopted:

Event	Date
Staff Comments and Draft Order Due	July 9, 2010
Idaho Power and Intervenor Replies to Staff Comments and Draft Order Due	August 6, 2010
Staff Public Meeting Memorandum Posted	August 19, 2010
Final Commission Public Meeting	August 24, 2010, 9:30 a.m. Main Hearing Room

Dated this 15th day of June, 2010, at Salem, Oregon.
