OF OREGON**

vs.

COMPANY, dba NW NATURAL,

Defendant.

RULING

**DISPOSITION: COMPLAINANT TO INDICATE INTEREST IN PURSUING  
COMPLAINT**

On August 10, 2017, I issued a ruling canceling the hearing this matter based on an email from complainant indicated that the parties “have worked out an agreement.” In my ruling I stated that the matter would remain open, pending a request from complainant that the complaint be dismissed. Alternatively, I noted that the parties may file their agreement with the Commission as a settlement and ask for Commission approval under the Commission’s rules.

I have heard nothing from the parties since I issued my earlier ruling. Accordingly, I direct complainant to file, by January 12, 2018, a statement either withdrawing its complaint or requesting that a conference be convened to set a hearing date in this matter. If complainant fails to make a filing by January 12, the Commission will assume it no longer intends to pursue this mater and will close the docket.

Dated this 4th day of January, 2018, at Salem, Oregon.
