By email from Complainant received on August 10, 2017, I am informed that the parties "have worked out an agreement" so that no hearing is required in this matter. Accordingly, I cancel the hearing currently set for August 11, 2017.

The docket in this matter remains open, pending a request from Complainant that his complaint be dismissed. Alternatively, the parties may file their agreement with the Commission as a settlement and ask for Commission approval under the Commission's rules.
