Reconsideration of Order No. 05-1050.	)	

In a memorandum issued May 3, 2006, I determined that PacifiCorp and the Industrial Customers of Northwest Utilities (ICNU) would be participating in oral argument scheduled for June 6, 2006. I asked all remaining parties to inform me by May 12, 2006, if they also wished to participate in oral argument. Only the Citizens' Utility Board of Oregon (CUB) responded.

Parties have 15 minutes to present opening oral argument. PacifiCorp will have another 5 minutes of rebuttal time. Parties will be reminded when they have 5 minutes and 2 minutes remaining. The order of argument is as follows:

PacifiCorp  
ICNU  
CUB

Dated at Salem, Oregon, this 15th day of May 2005.
