Company's Oregon Annual Revenues.)	

DISPOSITION: ORDER OF WITNESSES ESTABLISHED

Attached is the order of witnesses for hearing beginning July 20, 2005. Because all parties filed cross-examination statements simultaneously, it may be that some witnesses do not need to be cross-examined, or that the estimated time for cross-examination can be reduced. Please submit such changes by noon on Monday (July 18, 2005) so that a revised order of witnesses can be issued by the end of the day. Parties should expect full days of hearing, so that if the Wednesday witnesses are completed early in the afternoon, I will then proceed with the Thursday witnesses (except for Mr. Falkenberg, who is not available on Wednesday).

The only correction to the exhibit list is the addition of a stipulation which had been omitted from the original list. Copies of the revised exhibit list will be available on the first day of hearing.

For any witnesses not testifying at hearing, the required affidavits may be filed in advance of hearing with the filing center or may be submitted at the hearing.

Finally, a ruling on PacifiCorp's Motion to Disqualify will issue on Monday, July 18, 2005.

Dated at Salem, Oregon, this 15th day of July, 2005.

Kathryn A. Logan
Administrative Law Judge
