DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED

On July 28, 2005, WaterWatch of Oregon, Pacific Coast Federation of Fishermen's Associations, and Oregon Natural Resources Council filed a motion to modify the pending schedule and extend for one week (until August 5) the deadline to submit an issues list and/or supplement individual party issues lists in the UE 170 docket regarding the electrical rates to be paid by irrigators in the Klamath basin. The parties explain that commitments and scheduling issues have made it difficult for the parties to confer on the proposed list and respond accordingly. The parties add that PacifiCorp, the Klamath Water Users Association, the Klamath Off-Project Water Users Association, the Citizens Utility Board and the Yurok and Hoopa Tribes do not object to the motion.

The motion to modify the schedule is granted.

Dated at Salem, Oregon, this 29th day of July 2005.
