(dba PacifiCorp)	)	MEMORANDUM

Request for a General Rate Increase in the	)	
Company's Oregon Annual Revenues.	)	

On July 25, 2005, a telephone conference call was held to discuss the status of the docket. The Fred Meyer Stores, PacifiCorp, Citizens' Utility Board, Industrial Customers of Northwest Utilities and Staff were present during the call.

PacifiCorp indicated that it had just sent out a draft of the stipulation, which the parties had recently received. The parties agreed to file a signed copy of the stipulation with the Commission by Friday, July 29.

PacifiCorp agreed to waive cross-examination of Mr. Selecky, Mr. Morgan and Mr. Dougherty. Based on this representation, a hearing will not be held on Wednesday, July 27, 2005.

PacifiCorp further stated that it will be withdrawing the portion of Mr. Martin's testimony that included a percentage for allocation on relative taxable incomes. Specifically, this would be Mr. Martin's amendment to line 3 of PPL/1301, Martin/8. While not confirmed by the parties, I understood that this change eliminates the need for cross-examination of Mr. Martin, and any revision to the schedule.

During the conference, I misspoke regarding the due dates for posthearing briefs. The following is the correct schedule:

EVENT	DATE
Opening Posthearing Briefs	August 4, 2005
Reply Posthearing Briefs	August 11, 2005
Oral Argument	August 15, 2005

Dated at Salem, Oregon, this 25th day of July, 2005.
